

POST 2020

PARTNERSHIP PAVILION

Equity and Rights in the GBF

Saturday Sept 4 to Sunday Sept 5, 2021

Day 2 is focused on the equity and right dimensions of the GBF. On this day there are two on-site sessions and two virtual sessions. The Evening Virtual on September 4 and the Morning Virtual on September 5 will both focus on the equity and rights ambition gaps and concrete recommendations for redressing the gaps. The results of these conversations will feed into the two on-site sessions on September 5. Session 1 invites speakers to share their vision for an ambitious rights based approach for the GBF and their perspectives on the outstanding equity and rights gaps. Session 2 will identify suggestions for strengthening the equity and rights dimensions in the GBF. They will also frame high level political messages to be transmitted to UNGA-76, CBD COP 15, and UNFCCC COP-26.
